WE TRANSFORM EVENTS INTO GREAT EXPERIENCES

Wow your guests

AND LEAVE A LASTING IMPRESSION

The Tucker Center is home to a variety of memorable events. We offer an 18,000 square foot arena, six meeting rooms, and 34,000 square feet of exhibition space to accommodate any event request. In addition to distinctive space, we have a dedicated and experienced event team who will assist you every step of the way to ensure flawless coordination, seamless execution and guarantee the success of your event. Our in-house catering department not only allows for added convenience, but also provides an outstanding dining experience with dishes designed to complement your event at the Tucker Center.

Unique spaces for

PRIVATE & PUBLIC EVENTS

MEETING SPACE

The Tucker Civic Center's six meeting rooms are fully carpeted and are equipped with a sound system and adjustable lighting. To meet your exact needs, the 16,000 square feet of meeting space can be divided into a variety of floor plans. Meeting Room A can accommodate up to 400 people for a theater style set up or 350 people for banquet style. It can be partitioned into three separate rooms; A-1, A-2 and A-3. Our smaller meeting rooms B, C and D are designed for gatherings of up to 60 guests each. Special accommodations such as a dance floor, portable stage, microphones, etc. can also be provided.

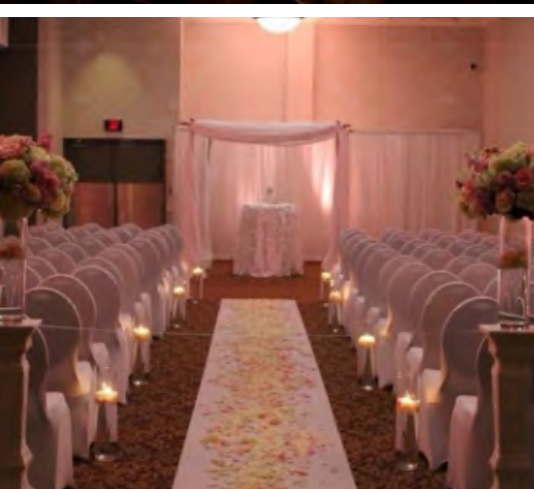

EXHIBITION HALL

With 34,000 square feet of floor space, our Exhibit Hall offers a great amount of flexibility for virtually any event or exhibition. Its layout is perfect for trade shows, conferences and expos of all types and sizes. The space allows for up to 250 8x10 ft. booths, large meal functions, themed parties, and meetings with seating for up to 2,500 people.

ARENA

Covering 18,000 square feet, our versatile Arena floor can be transformed into an intimate space for banquets and receptions holding up to 1,000 and 2,000 people, respectively. The Arena has 12,500 upholstered seats for sporting events, concerts, and touring Family Shows. This space can be configured into a number of setups to accommodate a variety of event requests.
